

Compensation Addendum A - Master Agent

A. Company Services

Representative shall solicit orders for Company's domestic and international products, as authorized by Company.

B. Compensation

1. Until the termination of this Agreement, within sixty (60) days after receipt of commissions from underlying carriers, Company shall pay Representative a commission, according to the table below, of the sum of the Net Usage Charges billed by Company for that Monthly Billing Period for all Clients ("net monthly Client Usage")

Carrier	Service Type	Commission
Hudson Fiber Network	Internet - Data	10%
*****ICB stands for "Individual Case Basis" and that particular carriers commission will be paid based off of the commission received for each particular deal that is sold through that carrier. There is not one set commissionable amount for this particular provider.
